TASK FORCE ON A FUTURE NMSU LIBRARY SYSTEM(S)

Charge: Advise the Dean on what NMSU Library needs to take into consideration as it acquires its next generation of products which provide integrated management of library applications. Included in the work of the task force is the following:

1. An assessment of the options, features, and capabilities desired for a new system.
2. An analysis of what viable products are on the market including their strengths and weaknesses.
3. Estimated costs of the systems under consideration and the offset of costs for those systems we currently have that will no longer be needed.
4. Provide specifications we desire for the RFP process and a draft RFP proposal.
5. A timetable for implementation including the time required for the RFP process and conversion to a new system.

As the task force addresses its charge they are asked to be highly consultative and provide all library staff with opportunities to contribute their ideas, to hold open forums throughout the process and to keep staff engaged and informed.
